

Double ended grinder with extract disc

884101550

Slibette knife grinders - Slibette 8NE

Special grinder for sharpening of knives, etc.

Developed in co-operation with knife grinding specialists. Well suited for use in large kitchens - butcher shops etc. where sharpen knives are a necessity.

The belt is running as indicated by the arrow.

The disc on the left side is A felt- or B extract disc.

Available on a pedestal with table DK and water cup.

All Slibette machines are offered, against a small extra price, with motor brake and separate emergency stop.
