

Wood working combmachine

1036378

Slibette wood working combi - Slibette 8NS

Specially designed for grinding of tools for woodworking - such as planes and chisel.

Aluminium oxide grinding wheel is particularly suitable for grinding of cutting tools.

The polishing mop is ideal for polishing the cutting edge of various tools.

All Slibette machines are offered, against a small extra price, with motor brake and separate emergency stop.

Available on a pedestal with or without table and water cup.

Fully adjustable too rest.
